On-Line access to School Boundaries, Transportation Eligibility and more

Web-site: www.mybrucegreyschoolbus.ca

Look up information such as:

- **School Information**
(Including location, telephone, available grades and school boundary)
- **Which School Do I Attend?**
(Use to determine which school children living at their address are eligible to attend.)
- **Transportation Eligibility**
(Use this search to determine if a student is eligible for transportation.)
- **Parent Portal**
Parents can access transportation information for their children using their child's unique Student ID & PIN numbers)

The Student Transportation Service Consortium of Grey-Bruce provides transportation to all schools in Grey & Bruce counties in the Bluewater District and the Bruce-Grey Catholic District School Boards.

The general public can access school information, determine which school their children are eligible to attend and determine if they are eligible for transportation.

Parents can access transportation information for their children using their child's unique Student ID & PIN numbers.

School administrators and school bus operators are provided secure login ID's and PIN's as well.

Other general transportation information can be accessed through the Student Transportation Service Consortium of Grey-Bruce web-site: www.brucegreyschoolbus.ca

For additional school and school board information refer to the school board web-site:

Bluewater District School Board

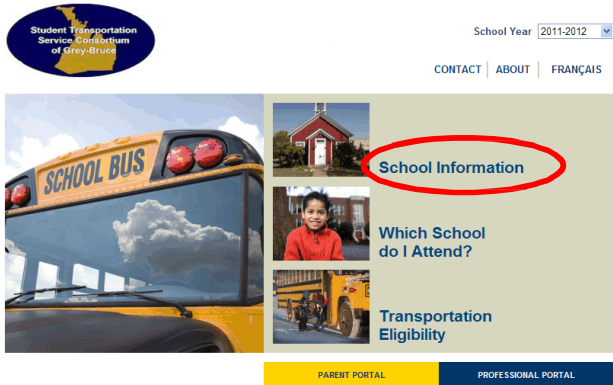

www.bwdsb.on.ca and click Parents/Community and choose Transportation from the drop-down menu.

School Information

This page is available to the public to access school information, such as:

- Address & Telephone Number of the school
- Grades available at the school and the school boundaries.
- Whether French immersion is available at the school.

(Note: 2 boundaries may be displayed if this is a school that offers French immersion. Boundaries will be colour coded with grades available.)

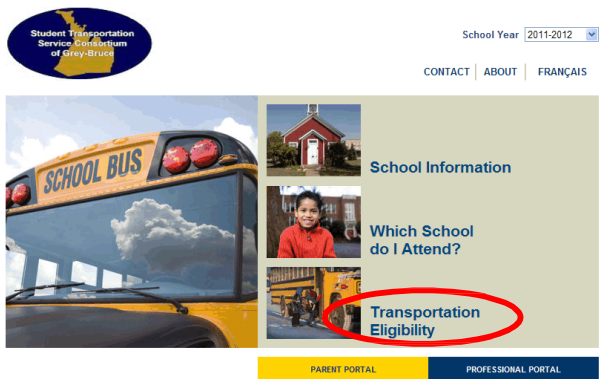

Which School Do I Attend?

This page is available to the public to determine which school children living at a specific address are eligible to attend.

You must enter an address then select a School Board and a Grade.

(See Hint below for entering street/road names.)

Transportation Eligibility

Use this search to determine if a student is eligible for transportation. You must enter an address then select a School Board and a Grade.

Pressing "Submit" will display the school location and one of 2 messages:

1. You are eligible for transportation
2. You are NOT eligible for transportation.

If the second message is displayed it will also display a suggested walking route to the school.

(See Hint below for entering street/road names.)

Hint: Street names must match the digital map. When doing a query, enter a few characters in the street field first. A list of possible street name matches should drop-down. You can then choose the correct road name from the list. We suggest using the following abbreviations when entering a street name:

Ave
 Conc (for Concession)
 Cres
 Dr
 Hwy
 Rd
 Side or SRD (for Sideroad)
 St

Note: Parent Portal and Professional Portal require secure login ID's and are not available to the general public.
